CARBON POKER

The highly respected Merge Network Proudly presents Carbon Poker to online poker lovers worldwide, including those in the US. Established in 2007 Carbon Poker has built up a strong reputation for quality security and efficient service. The superior gaming experience is also enhanced with a wide variety of different game types, and an extensive program that rewards player loyalty.

CARBON POKER REVIEW : TRAFFIC

Carbon Poker is well known internationally and in the US and attracts thousands of players daily. During peak hours traffic exceeds 10 thousand combined players. This large amount of traffic means that there are several thousand low skilled players and many low stake tables. Why is that important? It's important because it means that at Carbon Poker skilled players have thousands of opportunities to win. Winning means cash in your pockets and Carbon Poker is the place to be if you want to be a part of the action

CARBON POKER REVIEW : SECURITY

Carbon Poker exceeds industry standards for security. SSL support with 128 bit encryption means that you and your money are safe and secure at all times. They also have a specially trained team that supports their excellent security software. That team actively monitors all activity at Carbon Poker ensuring that you can play with the peace of mind that you deserve

CARBON POKER REVIEW : SKILL LEVEL

If you want to make money don't look elsewhere. At Carbon Poker there are literally thousands of low skilled players and hundreds of tables just waiting to play. The smart player knows that there is a lot of money to be made at the low stakes tables and at Carbon Poker you have many opportunities to win. Don't forget that many high rollers also play at Carbon Poker. So if you want to play with the big boys, or if you want to have a lot of fish for dinner, you have come to the right place.

CARBON POKER REVIEW : DOWNLOAD

The team at Carbon poker worked long and hard to make this excellent piece of software a reality, and their dedication to quality is reflected in the final product. The download is quick and the program installs in no time. The software supports multiple varieties of poker and you will be able to find and play all of the the popular forms of the game. Texas Hold em, 5 card draw, Razz, Omaha it's all there at your fingertips. The software supports over ten different types of poker so can play what you want when you want with no compromises. Many rooms talk the talk, Carbon Poker delivers the goods.
